Dear Trish,

Thank you for your unwavering and selfless support of the Marines, Sailors, and Soldiers of Regimental Combat Team 6. Your kindness and thoughtfulness is greatly appreciated. We have distributed your gifts of snacks, goodies, and toiletries throughout the Regiment and all are benefiting tremendously. Your generous support provides an immeasurable boost to morale and invigorates our Marines, Sailors, and Soldiers as they execute their mission far from home.

Thank you again for your genuine interest in our well being during this deployment. Please know that your Marine Corps continues to serve our great Nation with a steadfast courage that cannot be quantified.

*Trish,
We appreciate so much
all you do to support
the troops. Your
endurance and commitment
is remarkable and
motivating to all of
us! Thank you,
Tim*
